

Holiday Hazard?

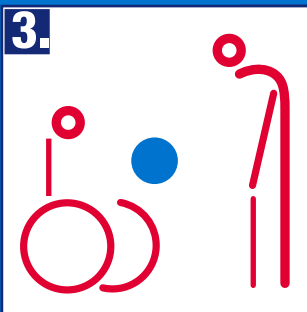

Take this quiz to see if your holiday gathering could become a **COVID-19** spreader event.

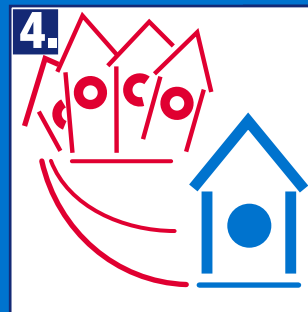

Are COVID-19 cases rising in your community?

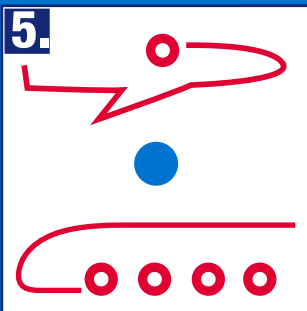

Are you inviting people beyond your immediate household?

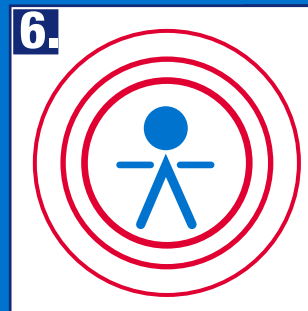

Will your guests include senior citizens or people with underlying health conditions?

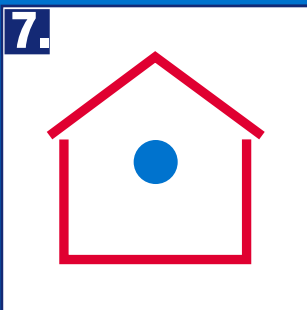

Will guests come from other areas?

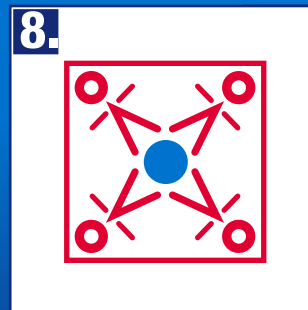

Will guests travel by plane, train or other transport?

Have you or your guests been working, attending school or interacting with people outside your home?

Is your gathering indoors?

Do you have limited space that makes it hard to social distance?

If you answered **yes** to one or more of these questions, your holiday gathering could **increase** the **risk** of **COVID-19**.
