Patients seeking Financial Assistance must apply for the program, which is summarized herein.

**Eligible Services** - Emergency or other medically necessary healthcare services provided by the facility and billed by CentraState Medical Center. **Determination of Financial Assistance Eligibility** - Generally, Eligible Persons are eligible for Financial Assistance, using a sliding scale, when their Family Income is below 300% of the Federal Government’s Federal Poverty Guidelines (FPG). Eligibility for Financial Assistance means that Eligible Persons will have their care covered fully or partially, and they will not be billed more than “Amounts Generally Billed” (AGB) to insured persons (AGB, as defined in IRC Section 501(r) by the Internal Revenue Service). Financial Assistance levels, based solely on Family Income and FPG, are:

- Family Income at 0 to 200% of FPG
  - Full Financial Assistance; $0 is billable to the patient.
- Family Income at 201% to 299% of FPG
  - Partial Financial Assistance; AGB is maximum billable to the patient.

Note: Other criteria beyond FPG are also considered (i.e., availability of cash or other assets that may be converted to cash, and excess monthly net income relative to monthly household expenditures), which may result in exceptions to the preceding. If no Family Income is reported, information will be required as to how daily needs are met. The HOSPITAL’S Financial Counseling Department reviews submitted applications which are complete, and determines Financial Assistance Eligibility in accordance with Centrastate’s Financial Assistance Policy. Incomplete applications are not considered, but applicants are notified and given an opportunity to furnish the missing documentation/information.

CentraState also translates its FAP, FAP application form and the plain language summary of its FAP in other languages wherein the primary language of the residents of the community served by CentraState represents 5 percent or 1,000; whichever is less; of the population of individuals likely to be affected or encountered by CentraState.
